

Mid-Atlantic

Equipment Management Association, Inc.

PRESIDENT'S MESSAGE:

Hello everyone,

This month's meeting is set for September 8, 2009. The meeting will be held @ our headquarters, Timbuktu Restaurant. The presenter is Lonnie Richmond with the Maryland Department of the Environment (MDE). Lonnie will be addressing the membership on the latest State development and regulations involving the emissions program. This will be your opportunity to raise any questions or concerns on emissions. The meeting is a must for all fleet and equipment managers.

The trip to the Volvo/Mack engine plant was a success; there were 34 members in attendance. The plant had undergone major renovations which included an army of automated robots and testing facility to improve production yet did not eliminate jobs throughout the plant. We like to thank the people at Baltimore Mack and Sandy Childs for arranging the tour.

Please check the Bulletin board for information on the latest from Gas boy on their new Fuel Management System. A webcast is set for September 9, 2009 @ 9: 00 AM. The information has been forwarded via Rick Callender from Carroll Independent Fuel Company

Hope to see all of you

Stay safe.

Regards
Ed Gestido

MESSAGE FROM THE VICE PRESIDENT:

Our website is current and up to date. If anyone has a change to be made, please contact me.

I would like to take this opportunity to ask the membership if there are any topics they wish to hear about. The Board will be discussing possible educational topics for 2010. If anyone is interested in Brake Training, Driver Training, or Electrical Training, again please contact me.
