PRESIDENT'S MESSAGE:

Hello everyone,

The M.A.E.M.A tour to the Volvo/Mack Engine Plant is scheduled for Tuesday, July 14, 2009 to leave Baltimore @ 8:00AM sharp. We as a group visited this facility back in 2002 when Volvo made the announcement that the Hagerstown facility would become the North American engine plant for Volvo/Mack. Since then, a lot of the technology has changed and so has the engine plant. I'm sure it will be an informational and rewarding tour for all.

The tour bus is scheduled to leave the BG&E facility located @ **7210 Windsor Blvd.** right off of Rolling Rd. We will be making a quick pit stop in Fredrick; McHenry Equipment will be hosting some coffee and donuts for the group. If you near Fredrick or if it's more convenient, feel free to make it your pick point for the tour. We hope to arrive in Hagerstown by 10:00 AM to begin the tour. Lunch is being provided by Volvo/Mack, we intend to be back to BG&E by 2:30 PM, should you have any questions feel free to contact me Bill Cyford. If you're having trouble with MapQuest or need specific directions to the BG&E facility contact Rob Ermer.

There is registration required, please make sure to register and submit your check before July 7, 2009 the cost is \$40.00, **It is extremely important to get a head count by the 7th.**

Thank you,.

Hope to see all of you for the Tour

Stay safe.

Regards
Ed Gestido

MESSAGE FROM THE VICE PRESIDENT:

Our website is current and up to date. If anyone has a change to be made, please contact me.

I would like to take this opportunity to ask the membership if there are any topics they wish to hear about. The Board will be discussing possible educational topics for 2010. If anyone is interested in Brake Training, Driver Training, or Electrical Training, again please contact me.
